Order a repair by  
connecting to

# HOW TO ORDER?

## ORDER YOUR REPAIR **IN 5 STEPS**

**1**

CONNECT TO THE REPAIR PLATFORM  
THROUGH YOUR USUAL PORTAL

**2**

CREATE YOUR ACCOUNT

### Enter your details

VAT number, company name, email address, billing, shipping address.  
From the second connection you will be automatically identified.

**3**

ENTER THE GEARBOX INFORMATION

Enter the Brand, model, VIN, mileage,  
year of construction, part reference  
(found on the transmission identification plate)  
and **provide a description of the fault**.

**4**

ORDER AND PAY YOUR REPAIR

Select your product and AISIN will confirm they can repair it before ordering.

**5**

PREPARE THE GEARBOX FOR SHIPPING

AISIN will then **send you the necessary packaging**  
for the gearbox and will then **take care of its return**

**to our workshops.** The part will be assessed,  
cleaned and repaired, before being returned to you!
