AUTOMATIC GEARBOXES

HOW TO ORDER?

ORDER YOUR REPAIR **IN 5 STEPS**

1

CONNECT TO THE REPAIR PLATFORM THROUGH YOUR USUAL PORTAL

2

CREATE YOUR ACCOUNT

Enter your details

VAT number, company name, email address, billing, shipping address.
From the second connection you will be automatically identified.

3

ENTER THE GEARBOX INFORMATION

Enter the Brand, model, VIN, mileage, year of construction, part reference (found on the transmission identification plate) and **provide a description of the fault.**

4

ORDER AND PAY YOUR REPAIR

Select your product and AISIN will confirm they can repair it before ordering.

The screenshot shows a web form with a progress bar at the top with four steps: Vehicle information (active), Description, Products, and Confirmation. The 'VEHICLE INFORMATION' section includes the following fields:

- Brand: Select a value (dropdown)
- Car Model: (text input)
- VIN: VF7P58W02E9959922 (text input)
- Vehicle mileage: (text input)
- Year construction: Select a value (dropdown)
- Date of failure: 23/06/2022 (text input)
- Upload name plate pictures: BROWSE... No file selected. Allowed extensions: .png .jpg .jpeg
- Upload label picture: BROWSE... No file selected. Allowed extensions: .png .jpg .jpeg
- Part number: (dropdown menu)
- Choose IFA if not applicable (checkbox)

A 'NEXT' button is located at the bottom right of the form.

5

PREPARE THE GEARBOX FOR SHIPPING

AISIN will then **send you the necessary packaging** for the gearbox and will then **take care of its return to our workshops.** The part will be assessed, cleaned and repaired, before being returned to you!
