# HOW TO ORDER?

## ORDER YOUR PARTS **THROUGH YOUR DISTRIGO HUB**, IN 2 WAYS

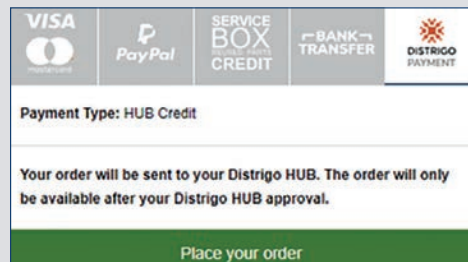

### CONTACT YOUR DISTRIGO CALL CENTER

- The Distrigo Call Center will place the order for you to B-Parts.
- If you have already identified the part you want to buy on the Service Box platform, you can communicate the part number in blue color (ex: BPxxxxxxxxxx) to your Hub to ease the process.

### USE DISTRIGO PAYMENT METHOD (IF AVAILABLE)

- Select your part in the B-Parts platform via Service Box and add it to your cart.
- One of the payment options available is the Distrigo Payment. If you choose this method, your order will be pending acceptance by your Distrigo Hub.
- Once the Hub accepts the order, they will invoice you and B-Parts will proceed with the order automatically.

### DELIVERY

The parts will be delivered directly to you by B-Parts

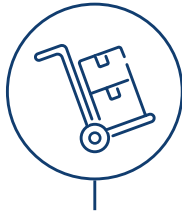

### PAYMENT

Invoice will be paid to B-Parts by the Distrigo Hub and you will pay your Distrigo Hub like any other products.

**AUTONOMOUS FLOW:** If the repairer wants to place the order directly through the Reuse catalog on Service Box, they have the option to pay and manage the invoicing with B-Parts autonomously.
